Hi,

I gave you a call on 8/30 in regards to Iola ISD WWTP and wanted to follow up with an email. In conjunction with TCEQ, we are working to survey the operational status of various WWTPs in areas affected by Harvey. If you could please either give me a call back at 512-239-3485 or fill out questions 1-14 of the form attached and email a copy back to me, I would greatly appreciate it.

Thanks,
